

A community without seclusion

16.11.2015 13:37 od MDI.si (0 komentarjev)

Franca and Franco Basaglia International School: A community without seclusion, Trieste, 15-18 December 2015

The meeting is aimed at exchanging experiences and practices through a reciprocal learning process among innovators, raising awareness of the emerging needs in the field of community mental health and expanding international networks toward change. An action plan will be issued for immediate implementation.

There is no registration fee. Limited places are available. Priority will be given to established partnerships with WHO Collaborating Centre of Trieste.

Dead line for registration: 30th November 2015
